

HONORS CONVOCATION

Scholarship and Awards Ceremony

Wednesday, May 18, 2016
1:30 p.m.
James and Betty Hall Theatre
Poughkeepsie, New York

Welcome to Dutchess Community College's annual Honors Convocation, a celebration begun in 1997 to recognize the outstanding achievements of students who will continue their studies at DCC in the fall, or who will graduate and transfer to four-year colleges and universities.

These students have demonstrated academic excellence, leadership skills and civic responsibility – and serve as role models both in and out of the classroom. Many of our awardees are juggling the responsibilities of school, work, family and volunteer service. Their hard work and dedication have enriched our campus and our community at large.

More than \$140,000 in scholarships will be awarded this afternoon by the Dutchess Community College Foundation. These are made possible through the generosity of individuals and organizations committed to recognizing excellence and helping students continue their academic pursuits.

Congratulations to our scholarship recipients and to the family members and friends who share in their accomplishments by providing support, love and guidance. We look forward to working with those students returning next semester, and wish continued success to those transferring to other colleges.

Education is not preparation for life; education is life itself.
