**Suzuki**

#### Violin, Cello and Piano

Suzuki philosophy states that every child can develop musical ability. Children begin study at an early age since initial learning takes place through listening and the development of the ear and memory. Attention is given to tone, expression and the technique to achieve them. Parental involvement in lessons/classes/home practice is essential to the child’s success.

### Private and Group Suzuki Lessons for Children

Suzuki students register for weekly lessons. Suzuki violin students may register for a group class at the appropriate level. Parent attends each lesson or group class. Individual lessons focus on mastery of the instrument, while group classes develop ensemble skills needed for orchestral playing. With permission of the instructor, parent and child may share a semi-private lesson in which both learn to play the instrument.

Chamber Music

Chamber music is a form of classical music written for a small group of instruments usually with one performer to a part. Because of its intimate nature, chamber music has been described as “the music of friends.” Playing chamber music requires special skills which are different from the skills required for playing solo or symphonic works.

All ages and instruments are welcome. Form your own group with a minimum of two people and set your own schedule with one of our professional coaches. Most groups meet for six sessions, concluding with an optional performance.

Music School Policies and Procedures

Missed Lessons and Tardiness

**Group Lessons** - It is not possible to make up lost instruction for a lack of class attendance. There are no make-up classes unless the class is canceled by the instructor or the college. No portion of the tuition is refundable.

**Individual Lessons** - Care should be taken to attend all scheduled lessons. While our teachers make every effort to reschedule lessons that are canceled in advance, this is not always possible and teachers are not obligated to arrange make-up lessons. Make-ups are not possible for lessons canceled with less than 24-hour notice, for no-shows or for canceled make-ups. Teachers do not teach beyond the scheduled time or make-up any lesson time if a student is late. If a teacher cancels a lesson or is late, make-up lessons or additional times are arranged. No make-up lessons are to be scheduled past the end of the semester.

*Please see page 36 for additional policy information.*
