Suzuki philosophy states that every child can develop musical ability. Children begin study at an early age since initial learning takes place through listening and the development of the ear and memory. Attention is given to tone, expression and the technique to achieve them. Parental involvement in lessons/classes/home practice is essential to the child's success.

Suzuki violin students may register for Suzuki individual lessons and/or group class. Suzuki piano and cello students register for individual lessons only.

PRIVATE AND GROUP SUZUKI LESSONS FOR CHILDREN
Suzuki students register for weekly lessons. Suzuki violin students may register for a group class at the appropriate level. Parent attends each lesson or group class. Individual lessons focus on mastery of the instrument, while group classes develop ensemble skills needed for orchestral playing. With permission of the instructor, parent and child may share a semi-private lesson in which both learn to play the instrument.

INDIVIDUAL LESSONS: (14 sessions)
Section 10 30-minute lessons $385
Section 11 45-minute lessons $565
Section 12 60-minute lessons $750

Missed Lessons and Tardiness

Group Lessons - It is not possible to make up lost instruction for a lack of class attendance. There are no make-up classes unless the class is canceled by the instructor or the college.

No portion of the tuition is refundable.

Individual Lessons - Care should be taken to attend all scheduled lessons. While our teachers make every effort to reschedule lessons that are canceled in advance, this is not always possible and teachers are not obligated to arrange make-up lessons. Make-ups are not possible for lessons canceled with less than 24-hour notice, for no-shows or for canceled make-ups. Teachers do not teach beyond the scheduled time or make up any lesson time if a student is late. If a teacher cancels a lesson or is late, make-up lessons or additional times are arranged. No make-up lessons are to be scheduled past the end of the semester.
