Reclaim My Math!

A program designed for students placing into CSM, MAT091, MAT092 and MAT100.

Program benefits:
- Review and refresh your math skills using MyMathTest™, an independent web-based program
- Receive personal instruction from the Office of Academic Services & Testing
- Potential to improve math course placement
- Connect with classmates via on-line discussions
- Attend math related workshops

Program requirements:
- Access to the Internet or a commitment to use a college lab 4-6 hours per week, at least two of which must be done in the campus Student Academic Success Center, Hudson Hall Room 315
- Be a current or prospective DCC student
- Attendance at one introductory meeting, a workshop, and a closing meeting
- Commitment to retake the placement test.
- Fee: $20 (Includes MyMathTest code and is due at introductory meeting.)
