
WELCOME

WELCOME TO THE DCC CATALOG

This comprehensive and powerful resource will help you find detailed information on over [60 academic programs](#) – and hundreds of courses – offered at Dutchess Community College.

Click a program link to see the college courses you'll need to complete your degree or certification. Read or download the course descriptions. Learn about the prerequisites for each course and when and where they'll be offered.

We've also included a section on College [policies and general information](#) to help you through the admissions process, secure financial aid opportunities and enhance your learning experience.

The information in this college catalog is accurate as of August 8, 2024, unless otherwise noted.

Printable PDF Version

You can generate a PDF of the entire 2024-2025 catalog by clicking on the "Catalog PDF" button above. *(To open the PDF file, you may need to [download](#) a free copy of Adobe Acrobat Reader.)*

To view and print just the course listings, click the "PDF" button on the top right of each course page.

Or you can choose to view or print all [course descriptions](#).

Student Responsibility

Students are responsible for reviewing, understanding, and abiding by the College's regulations, procedures, requirements and deadlines as described in official publications. This includes, by way of example only, this course catalog, the Student Code of Conduct and class schedules. Questions regarding any of these should be directed to the [Dean of Students](#) or [Office of Instruction & Learning](#).

Please note that some classes may not be offered every semester.

This online catalog is updated on a regular basis and pertains to credit offerings only. Historical versions are archived each year.
