

CRIMINAL JUSTICE

PUBLIC SAFETY (MICROCREDENTIAL)

Overview

What You'll Study in Our Public Safety Microcredential Program

The microcredential equips you with the skills and certifications necessary to land your first public safety job. You will emerge with a heightened understanding of the modern security industry, as well as a sharpened ability to assess public threats.

Our Public Safety Microcredential stacks into DCC's associate degree program in Criminal Justice-Public and Private Security.

Requirements

For requirements, see Program Map.
