

Accounting

A.A.S. | Associate in Applied Science

The Accounting Program is a career-oriented curriculum preparing students for a variety of entry-level accounting positions. Students who definitely plan to pursue a degree in accounting at a four-year school after completion of studies at DCC are instead encouraged to enroll in the Business Administration Transfer Program.

Program graduates gain employment in private and public sector positions, including bookkeeper, junior clerk, assistant auditor, cost accounting clerk and assistant office manager.

For more information, contact the Admissions Office at (845) 431-8010 or visit www.sunydutchess.edu/academics

Accounting (ACC)

BUSINESS

(HEGIS 5002)

Students who successfully complete the Associate in Applied Science (A.A.S.) degree in Accounting (ACC) will be able to:

- Use a variety of accounting and business software.
- Demonstrate knowledge of accounting principles.
- Demonstrate real world experience using simulations.
- Demonstrate a variety of skills needed in the business environment.

Courses should be selected in consultation with an advisor.
