

Sixty-Second
Commencement

FRIDAY, MAY 21, 2021
WAPPINGERS FALLS, NY

ACADEMIC HERALDRY

The style of caps, gowns and hoods worn at academic functions dates back to the Middle Ages. Then, monks and students wore them to keep warm in the damp and drafty castles and halls of learning.

Dutchess Community College's colors are buff and blue. The College colors have significance in the history of Dutchess County, in that during the American Revolution, the Continental Army stationed at Fishkill wore buff and blue uniforms. Candidates for graduation receiving associate degrees or certificates from Dutchess Community College wear blue caps and gowns. The tassels worn by the candidates, indicative of programs of study, are as follows:

Associate Degrees

Associate in Arts - *White*

Associate in Applied Science - *Yellow*

Associate in Science - *Gold*

Certificates - Blue

The gowns for the bachelor's degree have long, pointed sleeves and are designed to be worn closed. The holder of the master's degree wears a gown with an oblong sleeve, open at the wrist. The sleeve base hangs down and the rear part of its oblong shape is square-cut. The gown is usually worn closed.

Another, older master's gown always is worn open, has a long sleeve, which is square and closed at the end, and has a slit near the elbow, which permits the forearm to come through.

Gowns of the doctoral degree may be worn open or closed. They have broad velvet panels down the front and three velvet bars on the full round open sleeves. The velvet trimming may be either black or the color distinctive of the field of learning to which the degree pertains.

Academic gowns for each level are black, although a growing number of institutions permit doctoral recipients to have gowns of the characteristic institutional colors.

Academic protocol allows trustees, presidents and marshals of higher institutions to wear gowns that are specially designed and colored.

Caps may be made of broadcloth, serge or for the doctoral degree regalia only, velvet. The tassel is black or the color appropriate to the subject, although the doctoral cap may have a tassel of gold bullion.

It is the hood that gives color and real meaning to the academic costume. A black shell, of varying size for the three degrees and of material to match the gown, is silk-lined with the color or colors of the institution conferring the degree. The hoods for the bachelor's and master's degrees are the same shape, while the doctoral hood is both larger and of a different style, having a flat panel at the back. The hood usually is bordered with velvet of the proper width to indicate the degree, and of the color signifying the field of learning to which the degree pertains.

MARSHAL FOR
GRADUATING STUDENTS

Letter from Chancellor Malatras

To the DCC Graduating Class:

Living through a pandemic is likely not how you expected to finish your last semesters at Dutchess Community College, nor how you expected to start your life after college. Major milestone celebrations over the 13 months have been postponed, cancelled, or modified, including commencements. I know this is not the ideal outcome after years of hard work and studying, but this does not diminish your tremendous accomplishment. Despite all the challenges thrown at you and having your senior year of college unceremoniously turned upside-down, you persevered to earn your degree.

Although we were not able to celebrate your graduation with all the normal pomp and circumstance it so rightfully deserves, let it be known that we are all so proud of you – the persistence, determination, and grit you have shown to complete your studies amidst a number of obstacles is exemplary.

As you look toward the future, know your SUNY education has prepared you to succeed in whatever you put your mind to – whether it be furthering your education or joining the workforce. The DCC Falcons will continue the SUNY legacy of changing the world no matter where you go, and I look forward to seeing all that you accomplish.

On behalf of everyone at SUNY, I extend my heartfelt congratulations to you and your fellow graduates. You make us proud.

Sincerely,

Jim Malatras
Chancellor

Order of Exercise

PROCESSION

“Pomp and Circumstance”

WELCOME

Ellen M. Gambino, Ed.D.
Acting President

Think Ahead

Dutchess Community College and our partners, Abilities First, Maplebrook School, the Arc Greater Hudson Valley, Taconic Resources for Independence and Dutchess County, are proud to celebrate the graduates of the Think Ahead program. Launched in fall 2017, the four-semester, non-matriculated program for young adults with intellectual and development disabilities, is taught by a Think Ahead instructor with assistance from community agency staff and students enrolled in DCC's Human Services program.

Through Think Ahead, students learn life and job-readiness skills while participating in campus activities and opportunities. The initiative supports Dutchess County's commitment to "think differently" about differently abled individuals.

Congratulations to the 2020 and 2021 Think Ahead graduates, who will be awarded certificates of achievement.

CLASS OF 2020

Amtoj Ajula Wappingers Falls
Shazeb Azher..... Poughkeepsie
James Danehey Hopewell Junction
Michael Fedigan Hopewell Junction
Morgan Friel..... Wappingers Falls
Stephanie Hourani..... Hopewell Junction
