MAT118 placement

To take MAT118 with NO co-requisite, student must have satisfied

ONE OR MORE of the following:

* Eligible to take math placement level 2 or higher (see DCC math placement table)

OR

* Already passed MAT098 or MAT099 with C or higher

OR

* Eligible to take ENG101 or higher without any English prerequisite

OR

* Earned High School GPA of 3.0 or higher (at the end of 11th grade or later, no matter when they were in High School...83 or higher if it is given as a grade average)

NOTE: students who do not meet any of the requirements above are required to take MAT118 together with the co-requisite course, MAT018.

MAT109 and MAT131 placement

There is no prerequisite for MAT109 or MAT131.

*Any student can register for MAT109.

*Students who need MAT132 but don't meet the prerequisite requirement must first take MAT131.
