

DUTCHESS

COMMUNITY COLLEGE

Progress Report #3 from Sheila Appel, Chair of the Presidential Search Committee

On behalf of the Board of Trustees, I would like to provide a brief update to let you know that we are on schedule with our national search to identify the next President of Dutchess Community College, SUNY (DCC). I would also like to take this opportunity to thank everyone who participated in the online survey, as well as the public forums on January 29, through which participants had opportunities to discuss the qualities and qualifications DCC is seeking in our next president. Your feedback was insightful and valuable, and your contributions informed the development of the Presidential Profile.

In early February, the Presidential Search Committee met for orientation and training and worked on the development of the Presidential Profile. On February 11, the Board of Trustees held a special meeting to discuss, edit, and approve the Presidential Profile.

The Presidential Profile is now finalized and will be posted on the DCC presidential search webpage: <https://www.sunydutchess.edu/aboutdcc/humanresources/presidentialsearch/>

The target date for applications is March 18, 2021.

The Board is committed to conducting an equitable, inclusive, and transparent national search process. If you have any questions or suggestions, please feel free to reach out to our ACCT Search Consultants:
