

DUTCHESS

COMMUNITY COLLEGE

Progress Report #4 from Sheila Appel, Chair of the Presidential Search Committee

I am pleased to report to you that the search for a new President of Dutchess Community College is proceeding on schedule. The Presidential Search Committee (PSC) identified the top ten candidates and will be conducting interviews shortly.

The next step is for the PSC to submit its recommendations to the Board of Trustees. The final candidates will be invited to meet with various constituencies and to be interviewed by the members of the Board of Trustees.

It is anticipated that the final candidates will be announced by the beginning of May. You will have an opportunity to virtually meet them shortly thereafter. As soon as a schedule is confirmed, it will be shared with the college community.

Let me take this opportunity to thank the members of the PSC for the time, energy, and goodwill they have devoted to this very important process.
